The insurance provides the benefits for injuries occurring to an insured person while the coverage is in force as described below:

This does not cover eyeglasses.

If you have any further questions, problems or need to make a claim, contact the Committee Chairperson.

6. AUDITS. Annually, during the month of February, an audit of the finance records shall be made by two adults (parent of scouts), other than the Treasurer, appointed by the committee. TROOP 1083 HANDBOOK
North Bethesda, Maryland 20852

These records will be maintained in perpetuity.

11. OUTDOOR PROGRAM AND TROOP ACTIVITIES.

a. Outdoor program is the name of our game. Without it the game doesn't work. Scouting without outing is in the same league as swimming without water - and boys catch on fast. This should be approximately \$10-\$20/scout for the weekend and should be brought and paid before or at the campout. The cost is divided between the boys going. The meals may also be divided among the patrol members with each member getting the food for one meal. Any boy missing a campout, who does not let the patrol know before the food is purchased, must pay for his portion even though he did not go and eat it. Money should be brought to the next meeting.

If the scout needs certain equipment and could not go camping if he did not have it, please contact the Scoutmaster who will try to get the items borrowed or purchased. Items for the chuck box should be purchased and cost shared by all in the patrol. Each patrol should appoint a

quartermaster for the patrol who will be responsible for the chuck box and contents.

c. **SUMMER CAMP OR SUMMER ACTIVITY.** The Troop will attend a Boy Scouts of America sponsored Summer Camp and other Troop sponsored Summer Activity every year. Advancement during Summer Camp or a Summer Activity will be a planned part of the event. The Troop will comply with the requirements of the Council and Camp for registration and preparation.

d. **TROOP/DISTRICT/COUNCIL EVENTS.** The Patrol Leader's Council will select which Council or District events the Troop will attend each year. The PLC is encouraged to approve attendance at all District/Council events. Decisions will be approved by the Scoutmaster or Committee Chairman.

e. **PARENT PARTICIPATION.** The goal of the Scouting Outdoor program is to teach the Scout leadership, teamwork, and outdoor proficiency. Although the Troop wants to encourage parent participation, the attendance at outings by too many parents or adults could possibly inhibit this learning experience. The "Scoutmaster Handbook" recommends that 1 adult attend outings and activities for each 8 scouts in attendance but there shall be not less than 2 adults. Two deep leadership will be observed at all times with absolutely no exceptions. **Troop parents are ALWAYS permitted to attend and observe all Troop activities they desire to attend.**

f. **TRANSPORTATION.** The Troop Committee is responsible for arranging transportation to and from outings, summer camp and activities planned by the Troop's PLC. The Committee will coordinate with the Scoutmaster to determine the number of vehicles necessary to transport the Troop to the outing or activity. The Transportation Chairman or the Troop Committee will contact parents to request assistance in driving and will establish the authorized drivers list.

g. **OUTINGS AND ACTIVITIES ARRANGEMENTS**

- (1) **Tour Permits.** The Outdoor Chairman is responsible for preparation of tour permits in a timely manner. Tour permits are required by the Boy Scouts of America any time the Troop leaves for a trip outside the council area.
- (2) **Reservations.** The Outdoor Chairman is responsible for making reservations for use of campsites and attendance at District or

Council events or activities.

h. **PARENTAL/GUARDIAN CONSENT.** Written permission from the parent/guardian of each scout shall be obtained before a Scout may attend an outing or activity. This is to obtain a release for the leaders and to provide for emergency medical treatment should the parent/guardian not be available. The permission is on the health form of the registration form when the boy joins the troop. The Scout family must execute the longer Class II BSA medical form within six months of joining the Troop.

i. **ORDER OF THE ARROW.**

- (1) The Order of the Arrow (OA) is a national brotherhood of Scout honor campers originated to strengthen Troops and encourage outdoor experiences. It is based on brotherhood and cheerful service to fellow men. Troop members are nominated and elected to membership by fellow Scouts in their own Troops. They must meet election qualifications that are established by the Order of the Arrow. Elections are held once each year, usually in January or February, under the direction of the Council's OA lodge. Nomination and election procedures are provided by the lodge. One eligible adult may be nominated by the Troop Committee but only if Scouts are elected.
- (2) Upon election the scouts and adults will not be informed of their election. Parents of elected scouts will be notified of their election so they may attend the OA ceremony during Summer Camp or a Camporee. Elected scouts and adults will be "called out" during ceremonies. The election and "call out" does not make those elected to the Order of the Arrow a member of the Order of the Arrow. Individuals become members of the OA upon successful completion of the Ordeal of the Order conducted at a different time and location.

12. **TROOP EQUIPMENT AND MAINTENANCE.**

a. The Troop Committee is responsible for the purchase and maintenance of equipment to meet the needs of the Troop's outdoor program in accordance with the troop budget developed by the PLC. Troop 1083 encourages each boy to eventually purchase and use his own pack, tent, and sleeping bag.

b. **Acquisition.** Purchases of equipment shall only be made with the approval of the Scoutmaster and

confirmed by the Troop Committee. Expendable supplies such as rope, twine, first aid supplies, LP gas, etc. may be purchased by the Scoutmaster or his designated representative against the Troop budget without approval of the committee. Receipts shall be turned into the treasurer for reimbursement. No single purchase shall exceed \$100.00 without the approval of the Scoutmaster and Troop Committee.

c. Inventory. A list of all equipment owned by the Troop shall be maintained by the Troop Quartermaster and a copy of the inventory will be provided to the Troop Committee.

d. Maintenance. The Troop Quartermaster, with a representative of each patrol, is responsible to inventory and clean equipment after each outing. Shortages or items needing maintenance should be reported to the Scoutmaster and/or the Troop Committee. The Equipment/Facilities Chair of the Troop Committee, working with the Troop Quartermaster shall inventory all equipment annually. This should be accomplished during the early winter months so maintenance or replacement can be taken care of before the spring and summer camping programs begin. Each patrol is responsible for repair or replacement of issued equipment lost or damaged for any reason other than normal wear and tear.

13. ADVANCEMENT.

a. There are many definitions of advancement, but the Scouting definition might well be, simply, "the art of meeting a challenge." For that is exactly what the Boy Scout advancement program asks boys to do. It invites them to master a challenging series of skills that prepare them to enjoy the outdoor action Scouting promises. As they master these skills they move up through six Boy Scouting ranks, each more demanding than the last, and each qualifying them for more exciting outdoor adventure - and more fun.

b. There are four steps of advancement:

- (1) The Boy Scout Learns.
- (2) The Boy Scout is Tested.
- (3) The Boy Scout is Reviewed.
- (4) The Boy Scout is Recognized.

Details for advancement are contained in the Boy Scout Handbook, which every Scout is required to have as soon as possible after joining the Troop.

c. Advancement through First Class. From the time the Scout enters the Troop through the time he earns advancement to First Class, he is learning basic scouting skills to enable him to camp, hike, swim,

cook, tie knots, administer first aid, and perform other tasks in the outdoors and to work as a member of a team. The goal of the Scouting program, and this Troop, is for the Scout to achieve the rank of First Class within his first year in the Troop. These achievements shall be signed off by Assistant Scoutmaster or older scouts designated by a Assistant Scoutmaster. A parent should not sign off more than three of their son's requirements for each rank.

d. Advancement from First Class to Eagle. From the achievement of First Class through Eagle the Scout will be demonstrating leadership, performing service projects, earning merit badges and demonstrating the scout law in his everyday behavior. Upon completion of all the requirements for Star and Life the Scout will be eligible for Eagle.

e. To schedule a Scoutmaster's Conference, the Scout should contact the Scoutmaster as soon as possible after he has completed his rank requirements. The Scoutmaster will set a date for the conference and inform the scout of that date. The conference date will typically be set for the next scheduled troop meeting, activity, or campout, but should be held as soon as possible so as to allow the scout to continue working of other advancement projects.

Note: During the Scoutmaster Conference, the Scoutmaster may determine whether or not to sign off on the Scout Spirit requirement, in compliance with the definition of Scout Spirit as defined in this handbook and in the BSA handbook. If the Scoutmaster, in good conscience, cannot sign off the Scout Spirit requirement, he must inform the Scout as to his reasons during the Scoutmaster Conference. Also, if the requirement is not signed off, the Scoutmaster should inform the Advancement Chairman as to these reasons, and these recorded in the Scout's record for future reference. If the Advancement Chairman and/or the parent does not feel that the withholding of the Scout Spirit signing is justified, he should discuss it with the Scoutmaster at that time. If further arbitration is necessary because the two cannot come to agreement, the matter will be brought before a quorum of the Troop Committee at the earliest possible time, including a special called meeting if necessary. The final outcome will be determined by a vote of the assembled leaders, with the parents, Scoutmaster, and Advancement Chairman not present, and will stand as the final judgment.

f. All Boards of Review for the ranks of Tenderfoot, Second Class, First Class, Star, and Life are conducted by adult members of the troop committee. A scout, who has completed all of the necessary requirements and has had his Scoutmaster's Conference, should contact the Advancement Chairman to schedule a Board of Review for rank advancement. The Advancement Chairman will determine the date for the Board of Review which should be as soon as possible for all parties involved. The conference date will normally be set for the next scheduled troop meeting, activity, or campout, but should be held as soon as

TROOP 1083 HANDBOOK

possible so as to allow the scout to continue working of other advancement projects. The Advancement Chairman reserves the right to re-schedule the board if circumstances arise to which the Board can not be properly conducted within proper BSA guidelines. The Scout must be notified as soon as possible of the new scheduled date and the reasons for the change.

g. Scouts appearing before the board should be in uniform shirt and have his Boy Scout Handbook.

h. Merit Badges. The goal of the merit badge program is to expand a Scout's areas of interest and to encourage the Scout to meet and work with adults in a chosen subject. Merit badges are earned by a Scout working with a registered merit badge counselor. The Scout is required to contact the counselor to arrange for times and places to meet with the counselor. The Scout will obtain an Application for Merit Badge (BSA form No. 4124) from the Scoutmaster. This is a three part form. This form indicates to the counselor that the Scout is eligible and has been approved by the Troop to work on the merit badge. When the Scout completes the work on the merit badge the counselor will sign the form and present the Scout with two of the three parts; the counselor will retain the "Counselor copy." The Scout will turn in the other two parts signed by the counselor to the Advancement Chairman. The scout will keep the applicant's portion. The completed merit badge will be recorded in the Troop Records and the last part of the Merit Badge Application will be stored with the Troop's paper records. The cloth uniform Merit Badge earned will be presented to the Scout during the following Troop meeting. The Merit Badge Card will be presented at the next Court of Honor.

i. Merit Badge Counselors.

- (1) All parents of Troop 1083 Scouts are encouraged to become Merit Badge Counselors. Each merit badge **counselor must be registered**; fees are not required. Counselors shall register using the Adult Registration Application, (BSA form No. 28-501), and complete the Merit Badge Counselor Information sheet and submit both to the District Advancement Committee for review and approval. The District Advancement Committee maintains a list of all registered merit badge counselors within the district.
- (2) A Counselor is not limited in the number of badges he/she may be registered to counsel and there is no limit to the number of badges

a Counselor may work on with a specific Scout.

- (3) Counselors can only do three of their son's merit badges and these should be done in a group of three or more scouts.

j. Boards of review.

- (1) Purpose. The purpose of the review is not an examination. Rather it is (a) to determine the Scout's attitude and acceptance of Scouting's ideals; (b) to ensure that the requirements have been met for advancement, (c) to discuss the Scout's experiences in the Troop and the Troop's program, and (d) to encourage him to keep working towards advancement. A Board of Review may also be held to counsel a boy about his lack of progress toward advancement. Objective requirements that have been "signed off" and Merit Badges that have been earned may not be re-tested as part of the Board of Review. The board of Review may refer to a particular skill or Merit Badge in the context of the overall program, learning difficulties, likes, dislikes, etc. Each candidate is reviewed individually. The candidate should be in complete uniform. The board should make every attempt to be warm and friendly and be willing to listen to what the Scout has to say.
- (2) The Advancement Chairman of the Troop Committee is responsible to conduct or arrange for all boards of review.
- (3) Conduct of the Board of Review:
 - (a) Tenderfoot, Second Class, First Class, Star, and Life. The board of review is conducted by a minimum of one Registered Committee member and two other adult members of either the committee or troop parents. Assistant Scoutmasters may participate as Board of Review members in their role as a parent. Parents of a Scout being considered for advancement by a board of Review may not sit on their son's board. The Scoutmaster is not a member of the board and may not attend or participate in Boards of Review; however, the Board of Review may question the Scoutmaster regarding a particular Scout as part of the Scout's Board of Review and will allow the Scoutmaster to address the Board of

Review about a particular Scout if the Scoutmaster so requests.

- (b) The board should give the Scout the opportunity to bring up any questions he may have, and a chance for the board to talk to him about such matters as goals, Scout Spirit and personal growth. If necessary, the board should frankly discuss his lack of progress and to try to help him get back on track. After an initial interview, the candidate is dismissed and the board discusses whether the candidate is qualified. The candidate is asked to return before the board and is told whether he is qualified or not. If not, the board informs him what he must do to obtain approval.
- (c) The board will notify the Scoutmaster of the results of the board. If advancement below Eagle is approved, the Scout will be presented with the cloth patch of the new rank at the next troop meeting as soon as possible following the Board of Review. A certificate of rank will be presented at the next Court of Honor following the Board of Review. The date that the Board of Review is held, if the advancement is approved, is the date of the advancement.
- (d) Eagle: This board of review is conducted by the Troop Committee prior to the district Eagle Board of Review. The purpose of this board is to review the scout's records and application to be sure all necessary paperwork is complete and accurate. They will also ask him questions and prepare him for his District Eagle Board of Review. The scout will then call the District Eagle Advancement chairperson and arrange a District Eagle Board of Review. He should arrange for two or more adults from the troop to be present during this Board and the Scoutmaster should be present. The board is mainly conducted by the District Person but the adults can add support and answer questions asked of them. The Scoutmaster may interrupt if he feels the Board is

being too rough and out of line with the Scout.

k. Advancement Reporting and Recording.

- (1) Upon completion of the review process for rank advancement, counseling, or when a completed Application for Merit Badge form is received, the Advancement Report (BSA form no. 4403B) and, for merit badges, the "Merit Badge Record" are completed, signed, and submitted to the Scout Service Center for the purchase and recording with the Council of the awards or rank and merit badges. Computer generated advancement report may be used in lieu of the pre-printed Advancement Report.
- (2) When completing the Advancement Report form, care must be exercised to ensure that the name of the Scout is spelled consistently each time the form is submitted. If the names are spelled different or nicknames are used in some cases but not all, they could be interpreted by the District or Council as being different Scouts. This is especially important when a Scout's records are being reviewed at District or Council for Eagle.
- (3) A copy of the completed advancement report forms will be retained by the Troop Committee in the Troop's paper records.

l. Purchase of Advancement Materials. Advancement material consists of rank, merit badges, leadership position patches, and special awards such as Lifesaving, Mile Swim, Quality Unit, Merit Badge Pamphlets, etc. These items will be paid for by the Troop and purchased from the Council Service Center. Rank and merit badge purchases have to be accompanied by the completed Advancement Report Form.

m. Advancement Recognition. Each Scout should be presented with their badge of rank or merit badge at a Troop meeting as soon as possible after the board of review.

- (1) Eagle Recognition. A formal Eagle Court of Honor shall be held to honor Scouts earning Eagle. The Troop will inscribe the name of each Eagle Scout on the Eagle Scout wall plaque, purchasing a new plaque whenever it is needed. The troop will purchase an Eagle Plaque to be presented to the scout at the Eagle Court of Honor. Since the Eagle Court of Honor is highly personalized, Troop 1083 will provide as much support as possible for

TROOP 1083 HANDBOOK
North Bethesda, Maryland 20852

this ceremony but all costs beyond those normally associated with the advancement (i.e., rank patch or presentation kit) shall be paid by the family of the Scout. The Scout and his family may tailor the usual proceedings of the Eagle Court of Honor as long as approved by the Committee Chairman.

(2) Courts of Honor.

- (a) Troop 1083 will conduct a Court of Honor three or four times a year to recognize all Scouts who have earned such recognition. It is the responsibility of the Troop's Patrol Leader's Council to plan and conduct Troop Courts of Honor. The Troop Committee is responsible for supporting the Courts of Honor as requested.
- (b) The Court of Honor recognizes all Scout appointments, elections, awards, and advancements since the last Court of Honor. Usually the SPL will be the master of ceremony and the advancement handed to the boy by the Scoutmaster and/or the Advancement Chairman. Adult recognition may be presented during the Troop Court of Honor.
- (c) The Court of Honor is a public ceremony and parents and all other interested individuals are encouraged to attend.

14. SCOUT SPIRIT.

A) Live by the Scout Oath and Law.

B) Participate in leadership roles in the troop as much as possible for the rank and troop elections. Scouts who are not in a troop office should demonstrate a willingness to help those who are in leadership positions.

C) Attend as many of the weekly meetings as possible.

D) Participate in as many other troop activities as possible. These include but not limited to: Campouts, Scout show, Fund-raisers, Eagle scout projects, and Scout camps.

E) If other BSA sponsored activities (i.e. Junior Leader Training and Merit Badge Camps) conflict with troop activities, participation in these should be applicable toward scout spirit.

F) When determining Scout Spirit, allowances should be made by troop leadership for conflicts with school activities. This is providing that the Scout's participation in the school activity is obligatory by the school as a class requirement and that missing that activity would affect the scout's grade for the school course. (Band concert, field trips, etc.)

15. SAFETY. At all times, Troop 1083 will adhere to the published BSA Guide for Safe Scouting and any National or Council supplemental guidance. BSA Safety Afloat guidelines will be followed during activities dealing with water.

16. GAS STOVE POLICY:

As per BSA policy, liquid gas stoves can only be lit by an adult, Patrol Leader, or First Class Scout. Scouts first need to demonstrate to an adult proper and safe handling of the stove. Fire fighting equipment must be on hand when using stoves. This includes fire bucket, burlap bags and/or shovels. Operation of stoves must be supervised by an adult, with one adult supervising no more than two stoves at one time. Stoves must be used at least 10 feet away from other stoves or ground fires. Propane gas stoves require appropriate training before a scout may use them on a camping trip.

17. EXTERNAL PATROL EVENTS, MERIT BADGE, HIKING and CANOE POLICY:

Troop 1083 will follow BSA safety guidelines. In addition, no external meetings, merit badges, hiking or water activities will be undertaken by patrols without express written permission from the scoutmaster.

Separate Patrol Events: Troop 1083 **does not sanction** patrol meetings held outside of the Troop's regular meetings. Patrol meetings in individual's homes or other locations and/or activities such as hikes, trips, picnics and other projects outside of troop meetings, without the express consent of the Scoutmaster, are strictly prohibited.

Separate Merit Badge Events: Troop 1083 **does not sanction** Merit Badge classes held outside Troop meetings without the express written consent of the Scoutmaster (speaking for and with the approval of the troop committee) in the form of a **signed** blue merit badge card. Some merit badges have requirements that must be worked on outside of troop meetings. Work on these badges requires both a registered merit badge counselor's approval and authorization from the scoutmaster (signed blue merit badge card) before any badge work will be accepted as completed. All Scouts must have a blue card with the Scoutmaster's signed

authorization before starting on any work related to the merit badge.

18. FORMS AND RELEASES:

As in previous years, the Troop will continue to require parents to annually complete and sign: (a) Class 1 physical forms, (b) Troop 1083 permission slips and (c) photo releases for each Scout. This will include each scout's parent and/or guardian if they actively participate in the Troop's outdoor program, and will continue to encourage Leaders and parents to be current with Youth Protection training, guidelines and policies.

19. EAGLE PROJECTS:

The Troop Committee would also like to point out that Eagle Projects are not specifically "Troop sponsored events" and will not be posted on the website inasmuch as they are managed by the Eagle Scout Candidate. The Troop's leadership will work closely with Eagle Scout Candidates to insure the health and safety of all of the participating Scouts and, as always, the Committee requests that all capable of working on an Eagle Project participate to the extent of their abilities. Individual Eagle Project flyers will be distributed at Monday night Scout Meetings, as previously described.

20. DISCIPLINARY ACTION POLICY:

If the actions of a scout are disruptive to meetings and activities, or endanger the well being of another individual while engaged in a troop function, the scout will be made aware that the behavior exhibited is not consistent with the expectations of a Scout and must stop immediately. Swearing, inappropriate comments, loud talking during meetings, skills, etc. and other disruptive actions in this same vein will not be tolerated. Threats against another person which are not made in jest and/or actions which may cause harm to another individual must be taken seriously and are not allowed under any circumstance. Scouting is meant to teach the values of life and respect for others. If behavior that is inconsistent with the expectations of a member of the Boy Scouts is exhibited repeatedly, the following disciplinary steps are suggested. These may be shortened or lengthened depending on the severity or other extenuating circumstances.

a. First infraction: The first warning is given by the Patrol Leader of which the scout is a member. The Patrol Leader is to inform the SPL that a reprimand was necessary.

b. Second: The second warning is given by the SPL or ASPL. He may take the option of removing the scout to the back of the room. He then should inform the Scoutmaster that a second reprimand was needed. The scout's parents will be notified of the problem by the Scoutmaster.

d. Third: The parent will be called by the Scoutmaster to pick up the scout immediately. The Scoutmaster and another troop adult will inform the scout and parent that further inappropriate behavior will be grounds for dismissal from the troop. This should be followed up by a letter from the Scoutmaster within 7 days to put in writing to the parent and scout of possibility of dismissal from the troop.

f. Forth infraction: The scout is to be dismissed from the troop and the parents of that scout notified that the scout will not be permitted to participate in troop functions. If dismissed from the troop for cause, the scout's membership will not be renewed at recharter time.
